Non-alcoholic Sarsaparilla

If you think you need a tonic, ask your doctor. If you think you need something for your blood, ask your doctor. If you think you would like to try Ayer's non-alcoholic Sarsaparilla, ask your doctor. Consult him often. Keep in close touch with him.

Ask your doctor to name some of the begin with sick-headache, bliousness, dyspepsia, thin blood, bad skin. Then ask him if he would recommend your using Ayer's Pills.

there was what might be almost de Big Sandy News there was what might be almost described as a start, breaking the. silence for the moment. The impress ion was as if listening to voices from the tomb, speaking back through the Valley of Death to those yet upon earth, indicting the curse of liquor in a simple but most powerful man

QUALITY IN SOFT DRINKS

Is a Very Essential Point and They are Refreshing When: Pure.

One of the large and growing in dustries of the United States is the nonnifacture of what are popularly nown as soft drinks." The cause called soda Water dispensed from a touctain is enormous but the average man, particularly if he does or ever did drink intoxicants, relishes his Upple more if it is poured from a bottle Of course if the demand were not great the manufacturer of these carbonated beverages would be small, but it is simply enormous Bottle makers have a difficulty in supplying their product, and the ingenuity of the manufacturer of these innocent thirst assungers is taxed to make and put upon the market the things demanded by the consumers from those who manufacture the old time "pop", carbonated water variously flavored and colored there is no royalty or fee exac ed by mistedy, but to make and mare room or the new - drinks, notably conrwn called Coca Cola Doc way, with non statices will be become a confidate for We have in Louisa a concern known turteen or fourteen other temperance Gov. Beckham has become editor drinks. It occupies the entire low of Kentucky State Journal at Frank, or floor of the Snyder Concrete Buildfort. The paper has been purchased it g. oppposite the freight depot, and it is one of Louisa's prominent

While hundreds of thousands, 1rob O'ly millions of people are consumers of soft drinks, it is probable that very few comparatively, know what time concerning their manufacture Well, the modus operandl is simplicit itself. There is no intricate machine out of the building. Everything is

is, filled with carbonated water yes, but these processes involve time The large audience which titled the proof (or the filling it gets a cleaning and table attended et my good bouse ally. Before the unity used in wasiing torrelles the bottle in is fiftered And say, you ought to see sum furered Big Sandy water, you wouldn those I so the night start you Complete silence prevailed and the dilak sometimes. The cleaning is closest attention was below given to done by machinery, the motive power every word, when the recital of the being a gas engine. A rapidly revolvthe lettel wees but every but be after being used with the brush "After Whittaker had been alocated the bottle is thus thoroughly and the fighting had stopped, he excleaned. A whole let of them are tended his hand to me for the second then placed, mouth down, on a rack, time and said, Bievins, shake hands and into every bottle a stream of with me again and forgive me for liftered water is forced under great >hit I have done. If it had not pressure, It is then absolutely resin -nothing could be clemer. Suppose have happened. These were the last a "run" of Corr Cota is being made One of these clean containers is The effect on the large audience placed on a stand and one ounce of was instantly noticeable, not only Corn Cola (whatever this may be) is in change of facial expression, but put into it, by machinery. Over in

the corner, not far from the bottling earbonated water. This, by the way, s water impregnated with carbonic cld gas. The bottle is filled with this water and e pped, all by machine ry, and your Coca Cola is ready to be drunk. Ginger ale, of most excellent quality, cherry phosphate, Iemon, vanilla, strawberry and about a dozen other delicious drinks are made at the Louisa Bottling Works. The latest soft drink manufactured here is Jersy Creme, a most refreshing and The deceased was an excellent wife palarable beverage.

These drinks are all wholesome when taken in moderation. Even city for a short time, coming here water, when taken immoderately, is dangerous to health. History tells attended the K. N. C. of the great and injudicious use of water in the time of one Mr. Noah and no one knows now many people

lost their lives thereby These bottles containing this liquid refreshment are packed in two sizes of boxes, those holding two dozen each for the use of the local For if she sells sea-shells on the sea trade, and others holding four dozen for shipment. The demand in this territory is greater than the
